This is a detailed general site plan for a residential development. The plan shows a central cluster of buildings arranged in a semi-circular or fan-like pattern. Each building footprint is labeled with a number and a color-coded letter indicating its function. The surrounding area includes streets: 'via M. Grappa' and 'via M. Generoso' to the north, 'via Monte Bianco' to the east, and 'via Fill. Cosoli' to the south. A winding path or stream, labeled 'Torrente', runs along the western side of the site. The plan also shows various parking spaces, some of which are designated for specific functions like 'agricoltori' (farmers) or 'battitore' (beater). The overall layout is designed to be integrated with the natural environment, as indicated by the presence of the 'Torrente' and the surrounding greenery.
